## Commercial Roofing Contractor in Cincinnati, Ohio

Tecta America Zero Company LLC, a commercial roofing contractor, started its journey in 1929 in Cincinnati, OH as “The Zero Company” and joined Tecta America in 2002. We provide all types of commercial and residential roofing, architectural sheet metal and environmental solution services.

Our local philosophy is simple:

- It is our mission to provide our customers an experience that exceeds their expectations by providing quality roof construction, efficient project management and dependable service for a fair return.
- Our vision is to be the commercial roofing contractor of choice with our target clients for all services we offer.

In 2013 we opened a full-service office in Dayton, OH and in 2016 we acquired MB Roofing, (now Tecta America Columbus), in Columbus, OH. Both of these moves help us better fulfill our clients’ needs and achieve our local objectives.

Tecta America Corporation has grown to over 60 locations nationwide becoming one of the largest roofing contractors in the United States and is an approved applicator of [GAF](#), [Johns Manville](#), [Carlisle](#), and [Firestone](#) and all other major manufacturers roofing material.

At Tecta America, we are Roofing Redefined.[stm\_testimonials count="10" category="tecta-america-zero-cincinnati"]JTNDc2NyaXB0JTlwdHlwZSUzRCUyN2FwcGxpY2F0aW9uJTJGbgQlMkJqc29uJTI3JTNFJTIwJTBBJTdCJTBBJTIwJTIyJTQwY29udGV4dCUyMiUzQSUyMCUyMmh0dHA1M0E1MkYlMkZ3d3cuc2NoZW

including single-ply, modified bitumen, asphalt built-up, standing seam metal, green roofing, solar, shingles, tile, slate and more. Jonathan has managed projects up to \$6.0 million in value and is an Associated Builders and Contractors (ABC) CEO Committee Member and former Board of Directors Member. Jonathan is OSHA 30 certified and is the Qualifying Party for our Illinois Roofing License."
