[stm_sidebar sidebar="7836"]

Commercial Roofing Contractor in Fargo, North Dakota

Tecta America Dakotas – Fargo, a commercial roofing contractor, began business in 1945. For over 70 years, our customers in North Dakota have counted on our dependable service and quality workmanship, allowing us to grow into the largest roofing contractor in the region.

More than 30 of our team members have been in the construction industry for over 20 years, installing roofs on facilities such as the Grand Forks Air Force Base, Minot Air Force Base, Sanford Health and the Bismarck Event Center. We service many regions including North Dakota, South Dakota, Minnesota, Montana, and Wyoming.

We partner with our customers and communities to continually evolve our business to offer the best service and products to give you the best customer service.

Tecta America Corporation has grown to over 60 locations nationwide becoming one of the largest roofing contractors in the United States and is an approved applicator of [GAF](#), [Johns Manville](#), [Carlisle](#), and [Firestone](#) and all other major manufacturers roofing material.

At Tecta America, we are Roofing
