

Sioux Falls, South Dakota – Commercial Roofing Contractor – Architectural Roofing & Sheetmetal Inc.

[stm_sidebar sidebar="9342"]

Commercial Roofing Contractor in Sioux Falls, South Dakota

Architectural Roofing and Sheetmetal, Inc, A Tecta America Company, is a commercial roofing company servicing the Sioux Falls, SD region and includes parts of Minnesota, Iowa, and Nebraska. ARS, Inc was established in 1989 and mainly specialized in roofing metal and standing seam metal roofs.

In 1995 the company expanded its services in include flat roofing, such as fully adhered EPDM, mechanically fastened EPDM, and ballasted EPDM. We continue to offer new services to our customers such as PVC roofing, TPO roofing, Rhinobond systems, composite wall panels, flatlock wall panels, soffit panels and much more.

ARS, Inc, has always had pride in providing a safe work environment for our employees, adhering to the OSHA safety regulations. We provide the equipment to get the job completed in the most efficiently and safely way possible. We continue to grow and expand our business utilizing the latest technological advances to make us the leader in our industry.

In November 2017, Architectural Roofing and Sheetmetal joined Tecta America, the nation's premier commercial roofing contractor, to become a stronger roofing operation serving its customers and clients. Under the same leadership, the company, renamed "ARS, Inc, A Tecta America Company LLC," continues to put clients' needs first and to be the best professional roofing company in the area.
