[stm\_sidebar sidebar="7383"]

## Commercial Roofing Contractor in Tiffin, Ohio

JB Roofing Co, a Tecta America commercial roofing company, was established in 1970 and built its business and reputation on doing what's right for our customers, in the customers expected time frame, and with lasting quality. Today with more than 80 employees and a management team in place that has over 100 years of experience, JB Roofing Co has positioned the company for continued growth for decades to come while increasing the quality of services.

JB Roofing Company's commitment to the latest technology, allowing us to provide only quality products and services, and continuous training of all our employees places us as a leader in the roofing industry. We are 100% committed to not only earning your business and trust but making a positive name for ourselves in the community. We understand the importance of providing each of our customers with the best possible experience and rely on your satisfaction to sustain our business.

We are a full service industrial and commercial roofing company providing a variety of roofing and roof asset management services to our customers. We have always taken pride in providing superior workmanship combined with quality materials to give our customers the results they expect.

JB Roofing was acquired by Tecta America in 2016.

Tecta America Corporation has grown to over 60 locations nationwide becoming one of the largest roofing contractors in the United States and is an approved applicator
