HOW COULD ONE OF THE NATIONS LARGEST ROOFING COMPANIES BE A GOOD FIT?

Because our mission is all about serving the needs of our customers, like you.

Tecta America is the leading national commercial roofing company. With over 3,500 roofing professional, we are now over 75 strong companies. Our experts are active in important trade groups, like the NRCA, USGBC, BOMA and IFMA to ensure we remain at the forefront of the industry identifying your needs. For the long term, we are in business, meaning your warranties are secure. We handle extremely large projects and have the ability to carry out almost any project with insurance coverage and bonding.

Tecta's strength starts with each of our locations. Each location has local management that understands and responds to the needs of the customers in their marketplace. Our ability to utilize our national resources to support our local operations truly sets up apart.

COOPERATIVE PURCHASING CONTRACTING works with a lead public agency, who competitively solicits master contracts that meets or exceeds state statutes. Contracts are awarded based on quality, performance and price.

These contracts are available for use to over 90,000 agencies nationwide in both the public and nonprofit sectors including: K-12, Higher Education, City, County, State, Federal, Healthcare, Church/Religious and all Non-profit organizations.

ADVANTAGES

The major advantages of CO-OP contracting include:

- Fast and timely delivery of projects.
- Low overhead cost of construction procurement and delivery.
- Development of a partner relationship based on work performance.
- Reduced legal fees.
- Elimination/Minimal change orders.
- You have a good work history with the contractor.

TECTA SERVICE

DISASTER RESPONSE

We have the industry's largest disaster response program. We have experience in disaster areas and provide resources, communication and stability in a roofing company that you require.

LEAK REPAIR AND RESPONSE

All roofs are vulnerable to deficiencies that can lead to leaks. Extreme weather – tornadoes, hail, heavy snow, downed trees, even seasonal freeze and thaw cycles can damage your roof. We are ready to respond 24/7/365 a year by phone, fax or email.

ROOF ASSET MANAGEMENT

Management of the roof portfolio goes to the next level with online tools that make expenditures and budget management easy and straightforward.

PLANNED MAINTENANCE

Through thorough inspections and planned maintenance on your roof you avoid surprise costs and ensure that your roof is ready to deal with nature.
